BE AN ADVOCATE

Inspire, engage and
empower others to rescue kids
and equip them to stay free

More than one million kids worldwide are victims of sexual exploitation.

Destiny Rescue exists to rescue children from sexual exploitation and human trafficking and equip them to stay free.

We can't do this alone; we need voices like yours.

Destiny Rescue advocates are passionate volunteers who actively raise awareness and funds. We aim to creatively and intentionally empower each advocate to best inspire and motivate his or her sphere of influence to help rescue kids and equip them to stay free.

Advocates are doing incredible things with their unique passions and talents to raise awareness and funds, including music, art, cooking, social media, animals, toys, sports, walking, running and biking.

We would love to celebrate your fundraising success with you! Include [#irescue](#) on your social media posts as you promote your fundraising!

*Your "yes" has the potential to restore thousands
of God-given destinies.*

*"I started speaking up and
helped people realize that this
isn't something we can afford
to be quiet about. Even just
one child is too many."*
